SUNNY'S SIGNATURE

Our Sunny's signature is the most popular option that allows you to relax and refresh. This six-step indulgence starts with a sea salt foot soak and exfoliating sugar scrub, followed by a moisturizing mask leaving the skin soft. As Sunny's Signature emphasizes massage and relaxation, we take one step further with Vitamin E oil hot stone massage before cooling gel for a refreshing effect and lock-in moisture. Finally, enjoy a hot towel wrap and your choice of polish.

SUNNY'S MOISTURIZING SUPREME

Experience the ultimate skin nourishment with Sunny's Moisturizing Supreme. This six-step treatment includes all the benefits of Sunny's Signature, plus a hot paraffin wax treatment for even greater hydration. The wax delivers instant skin-softening upon application and continues to boost moisture levels long after the treatment is complete, leaving your skin feeling deeply nourished, hydrated, and radiant.

SUNNY'S ABOVE AND BEYOND

Indulge in the ultimate relaxation with Sunny's Above and Beyond, featuring our signature six-step indulgence, along with a luxurious hot paraffin wax treatment and our unique hot organic herbal neck wrap. Unwind and feel your stress melt away as the aromatic herbs work their magic, leaving you feeling refreshed and rejuvenated.

SUNNY'S GOLDEN TREAT

To offer the most luxurious spa experience, our Sunny's Golden Treat begins with a gold soak powder and an exfoliating scrub. The gold gel mask will moisturize and rejuvenate the skin, while the gold massage cream helps boost blood circulation and skin elasticity. The perfect experience is followed by an essential Vitamin E oil hot stone massage, a cooling gel for an instant and refreshing effect, a hot paraffin wax to boost moisture, and a hot organic herbal neck wrap to enhance relaxation, all while you enjoy your choice of polish.
